Freedom at Depth Canada

Thank you for your interest in making a donation to Freedom at Depth Canada

Supporting Freedom at Depth is supporting a person with a disability:

- Freedom of physical activity and improved health and fitness – for some people with disabilities only the weightlessness provided by water enables them to 'exercise'
- Freedom to achieve something that even able bodied people see as a challenge: scuba diving
- Freedom to share in a mainstream physical activity alongside able bodied people

Give generously to Freedom at Depth and be confident that 100 % of your donation will be used to support and train people with disabilities in the exciting sport of scuba diving.

Freedom at Depth Canada is a registered charitable organization and charitable tax receipts will be issued for all donations of $20.00 or more.
